

Óbuda University Bánki Donát Faculty of Mechanical and Safety Engineering		Instructing Department: BGK Institute of Mechanical Engineering and Technology Department of Materials Technologies				
Course title and code: Diplomawork II. Full time course: BADTHE2MNF 2025/2026 academic year, spring semester		Credit: 20				
Curriculums in which the course is given: Mechanical Engineering (MSc)						
Responsible instructor:	Dr. habil. Gonda Viktor	Instructors:	Supervisors at the department according to the topic			
Prerequisite (with code): -						
Workload: Weekly (N): 6	Lecture: 0	Practicum: 6	Lab:0			
Course result:	final grade					
Studium						
<i>Educational aim:</i> Selection of topic and supervisor. Literature review related to the selected topic with the help of the supervisor. Standardization of formal requirements.						
<i>Schedule:</i> below						
Schedule						
	Topic					
1.	Semester requirements and deadlines.					
2.	Conducting work instructed by a supervisor.					
3.	Finalization and Submission of the thesiswork.					
Conditions for grading: <ul style="list-style-type: none"> - Signed work log by supervisor. - Electronic submission of thesiswork by the deadline. 						
Retake: According to study code.						
Information related to the thesis work: Information related to the format and content of the thesis work is available: <ul style="list-style-type: none"> - Corresponding chapters at the study code; - Moodle page of the course. 						

Dr. habil. Gonda Viktor
